The Vineyard

UNIQUE WEDDING VENUE

Welcome to Wickham Estate, Hampshire. We are situated in the perfect location to hold your special day, set in the Hampshire countryside between the rolling hills of the Meon Valley and Wickham.

The most romantic and exclusive setting for your wedding, civil ceremony or partnership.

With a rustic barn, 40 acres of land, 14 acres of vines and a quaint courtyard, Wickham Estate is full of a charming atmosphere and stunning views to enjoy with your friends and family.

The Vine Room

INTIMATE INSIDE CEREMONY ROOM

Your ceremony is the most important and special part of your wedding day. With two beautiful locations at Wickham Estate, both fully licenced, there are many ways we can make your wedding day special and unique to you.

The Vine Room is our stunning inside ceremony room. Filled with natural light, the large floor to ceiling windows give you a front row view of the vines while sitting comfortably inside. The neutral colour palette of the room allows it to fit with any colour scheme you choose for your wedding.

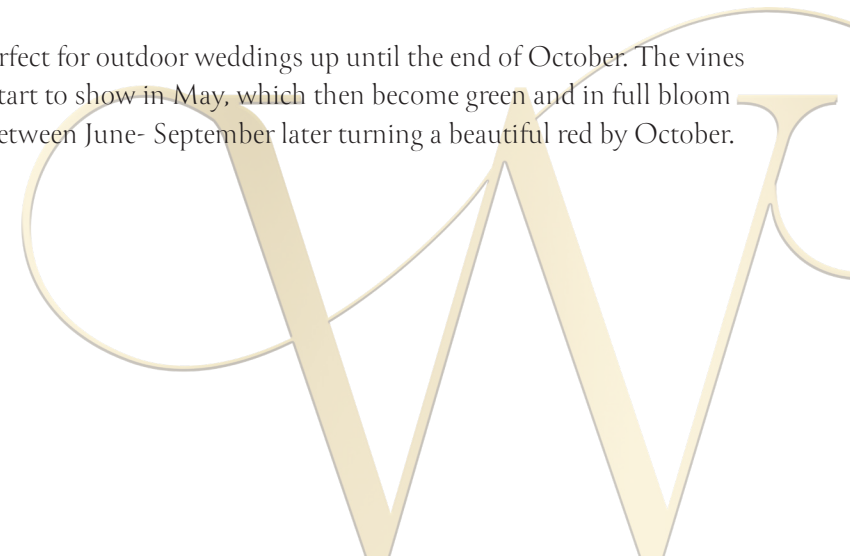

The Gazebo

OUTDOOR CEREMONY OF DREAMS

The Gazebo is the perfect outdoor ceremony place to say 'I DO'. With its rustic setting amongst the vines and beautiful wooden benches for your guests, a truly unique setting to take your vows.

Perfect for outdoor weddings up until the end of October. The vines start to show in May, which then become green and in full bloom between June- September later turning a beautiful red by October.

The Old Winery

RUSTIC, MODERN CHARM

Amid the Vines sits The Old Winery, where your Wedding Breakfast and Evening Reception will take place. With original wooden beams, chandeliers made of vintage crystal cut glasses and 10ft oak doors - it is the perfect combination of rustic and modern.
